

LigoMUX 16

Product End of Life Announcement

COPYRIGHT ©2018 LIGOWAVE

LigoWave strives to deliver the ultimate user experience and impeccable product functionality. As technologies continue to progress, certain hardware and software become obsolete and eventually discontinued to make room for newer and more advanced technical equipment. With its solid expertise and know-how within the field, LigoWave will help you through this transition.

LigoWave hereby announces that it is initiating the end of life of the following product and provides relevant end of life dates:

| Product | Description | | |
|------------|--|--|--|
| LigoMUX 16 | An external multiplexer with 16 E1/T1 ports, scalable design (extension of up to 32 ports), and multiple interface and coding support. | | |
