FCC/IC information

Français [French]

Note: Cet appareil est conforme à la Partie 15 des règlements de la FCC et aux normes RSS de l'industrie du Canada. Son fonctionnement est suivi aux deux conditions suivantes: (1) cet appareil ne doit pas causer des interférences nuisibles, et (2) cet appareil doit accepter toute interférence reçue, y compris les interférences qui peuvent provoquer un fonctionnement indésirable.

Le fabricant n'est pas responsable des toutes interférences radio ou télévision causées par des modifications non autorisées apportées à cet appareil. De telles modifications peuvent empêcher l'utilisateur d'utiliser l'appareil.

Le présent émetteur radio (identifier le dispositif par son numéro de certification ou son numéro de modèle si'il fait partie du matériel de catégorie II) a été approuvé par Industrie Canada pour fonctionner avec les types d'antenne énumérés ci-dessous et ayant un gain admissible maximal. Les types d'antenne non inclus dans cette liste, et dont le gain est supérieur au gain maximal indiqué, sont strictement interdits pour l'exploitation de l'émetteur.

English

This device complies with Part 15 of the FCC rules and Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications or change to this equipment. Such modifications or change could void the user's authority to operate the equipment.

This radio transmitter (identify the device by certification number or model number if Category II) has been approved by Industry Canada to operate with the antenna types listed below with the maximum permissible gain indicated. Antenna types not included in this list, having a gain greater than the maximum gain indicated for that type, are strictly prohibited for use with this device.

Model Name	NFT Blizzard 2ac-90 Lite														
Frequency	2.412 - 2.472 GHz					5.180 - 5.825 GHz									
Tx power	Up to 25 dBm (country dependent)														
EIRP	34 dBm					36 dBm									
Antenna gain	9 dBi					11 dBi									
Power supply	48 VDC passive PoE														
Power consumption	12 W														

English

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

To maintain compliance with FCC's RF exposure guidelines, this equipment should be installed and operated with a minimum distance of 20cm between the radiator and your body.

KRCA radiation exposure statement

To comply with FCC RF exposure requirements in section 1.1307, a minimum separation distance of 3.9 feet is required between the antenna and all occupational persons, and a minimum separation distance of 16.4 feet is required between the antenna and all public persons.

Antenna installation

WARNING:

It is installer's responsibility to ensure that when using the authorized antennas in the United States (or where FCC rules apply), only those antennas certified with the product are used. The use of any antenna other than those certified with the product is expressly forbidden in accordance to FCC rules CFR47 part 15.204. The installer should configure the output power level of antennas, according to country regulations and per antenna type. Professional installation is required of equipment with connectors to ensure compliance with health and safety issues.

CE information

CE mark warning

This is a Class A product, in a domestic environment this product may cause radio interference in which case the user may be required to take adequate measures.

To avoid usage of unlicensed channels please choose the correct Country on the Web Management Disclaimer. Keep in mind that the responsibility for the proper usage of the device in accordance with the regulatory rules lies with an installer or an equipment owner.

Operations in the 5.15-5.25GHz band are restricted to indoor usage only.

Safety

This equipment is designed with the utmost care for the safety of those who install and use it. However, special attention must be paid to the dangers of electric shock and static electricity when working with electrical equipment. All guidelines of this manual and of the computer manufacturer must therefore be followed at all times to ensure the safe use of the equipment.

According to European Directive 2002/96/EC requirement, equipment that contains this mark must not be disposed with unsorted municipal waste. It is a customer's responsibility to use local electric and electronic equipment waste collection point for this equipment disposal.

Declaration of Conformity

С настоящего LigoWave декларирует, что этот тип радиоэсъоръжение NFT Blizzard 2ac-90 Lite в съответствии с директивой 2014/53/ЕС. Цялоистният текст на ЕС декларацията за съответствие може да се намери в следния интернет адрес: <https://www.ligowave.com/downloads>

Tímto LigoWave prohlašuje, že typ rádiového zařízení NFT Blizzard 2ac-90 Lite je v souladu se směrnicí 2014/53/EU. Úplný znění EU prohlášení o shodě je k dispozici na této internetové adrese: <https://www.ligowave.com/downloads>

LigoWave izjavljuje da je radijska oprema tipa NFT Blizzard 2ac-90 Lite u skladu s Direktivom 2014/53/EU. Cjeloviti tekst EU izjave o sukladnosti dostupan je na sljedećoj internetskoj adresi: <https://www.ligowave.com/downloads>

Hermed erklærer LigoWave, at radioudstyrsparten NFT Blizzard 2ac-90 Lite er i overensstemmelse med direktiv 2014/53/EU.

EU-overensstemmelseserklæringens fulde tekst kan findes på følgende internetadresse: <https://www.ligowave.com/downloads>

Hierbij verklaar ik, LigoWave, dat het type radioapparatuur NFT Blizzard 2ac-90 Lite conform is met Richtlijn 2014/53/EU. De volledige tekst van de EU-conformiteitsverklaring kan worden geraadpleegd op het volgende internetadres: <https://www.ligowave.com/downloads>

LigoWave potrjuje, da je tip radijske opreme NFT Blizzard 2ac-90 Lite skladen z Direktivo 2014/53/EU. Celotno besedilo izjave EU o skladnosti je na voljo na naslednjem spletnem naslovu: <https://www.ligowave.com/downloads>

Härmed försäkrar LigoWave att denna typ av radioutrustning NFT Blizzard 2ac-90 Lite överensstämmer med direktiv 2014/53/EU. Den fullständiga texten till EU-försäkran om överensstämmelse finns på följande webbadress: <https://www.ligowave.com/downloads>

Por la presente, LigoWave declara que el tipo de equipo radioeléctrico NFT Blizzard 2ac-90 Lite es conforme con la Directiva 2014/53/UE. El texto completo de la declaración UE de conformidad está disponible en la dirección Internet siguiente: <https://www.ligowave.com/downloads>

LigoWave vakuuttaa, että radiolaitetyyppi NFT Blizzard 2ac-90 Lite on direktiivin 2014/53/EU mukainen. EU-vaatimustenmukaisuusvakuutuksen täysimittainen teksti on saatavilla seuraavassa internetosoitteessa: <https://www.ligowave.com/downloads>
